## Experiences Expedition

July 20 – 21, 2019 | Mumbai – Nashik

When Maruti Suzuki decided to create its 1<sup>st</sup> ever experiential event, they chose the expertise of Majorel to craft a flawless memory for the entire family.

Our thrilling expedition, from bustling Mumbai to un-hurried Nashik, was spread out over two fun-filled days. It also included an expert showcase of how to push a Maruti Suzuki Baleno to its absolute limits in an adrenaline inducing pit-stop at Zonker's Adventure Park. We successfully showed off the car's capabilities up-close whilst patrons enjoyed activities that engaged & entertained the entire family!
